

Michiana Orchid Society Membership

About Michiana Orchid Society:

Our members live in North Central Indiana and Southwest Michigan.

We meet on the second Saturday of the month at the German Township Branch of the St. Joseph County Public Library at 1PM. In the summer months and in December we meet at Member's homes and get firsthand experience seeing how other members grow orchids. Occasionally we have a special meeting at other locations.

Meetings are always interesting with speakers or a prepared program. We also have "Bring and Brag" where members bring their blooming plants and everyone has a chance to ask questions about the orchids. A business meeting is held and refreshments are served giving us time to chat about orchids.

Our annual A.O.S. judged show is held in the fall at Holy Cross College in South Bend, located near Notre Dame. We have exhibitors from Indiana, Michigan and Illinois as well as an excellent group of commercial orchid growers from whom to buy plants.

Our monthly newsletter will keep you up to date on happenings in our society as well as other Societies in the area. Most members get their newsletter through a group email but we do offer to mail if you don't have email access. For a look at our website where the newsletter is posted and other information is available as well go to: michianaorchidsociety.org.

Members organize road trips to orchid events such as Chicagoland Orchid Festival to commercial grower's greenhouses and to shows around the area when they happen. **Come join us for great trips!**

Our members have a broad range of experience and knowledge and we enjoy sharing it with others and learning more in the process. You may contact: Sandy Ohlund: sohlund@frontier.com, or Deb Longworth: timboys@aol.com.
